Experienced in building functional projects using modern frameworks like React and Django. Eager to contribute to a dynamic team and grow as a software developer.

Skills

- Web Development: HTML5, CSS3, JavaScript (ES6+), Bootstrap, React (Basic)
- Backend & Databases: Python, Django, Node, Express, MongoDB (basic), SQL (Basic)
- Tools & Platforms: Git, GitHub, VS Code
- Core Strengths: Problem-solving, Responsive Web Design, API Integration, Cross-Browser Compatibility

Education

Bachelor of Computer Applications (BCA)

President Institute of Computer Application | 2023 – 2025 | CGPA: 7.8

Higher Secondary Certificate (HSC)

Ultra Vision School | 2021 – 2022 | Percentage: 80%

Secondary School Certificate (SSC)

Ultra Vision School | 2019 – 2020 | Percentage: 65%

Experience

Intern – Infolabz IT Services Ltd, Ahmedabad

Jan 2024 – Feb 2025

- Developed and optimized web applications using Django and JavaScript.
- Collaborated with team members for debugging, performance improvements, and deployment.
- Assisted in client project documentation and presentation preparation.

Projects

• E-Learning Platform (Django, Bootstrap)

Developed an online platform for delivering educational content with user authentication and course management. Integrated responsive UI and dynamic content rendering. Implemented role-based access for students and instructors.

• Task Manager (Python, Bootstrap)

Built a personal task management tool for creating, updating, and deleting tasks with a clean interface. Added deadline tracking and priority levels. Designed for both desktop and mobile use.

• E-Commerce Platform (Django)

Created an online store with secure user authentication, product catalog, and shopping cart functionality. Implemented payment gateway integration for seamless transactions.

• AgroLand (React, SQL)

Developed an agricultural land buy/sell portal with search and filter options for districts, talukas, and villages. Integrated a basic SQL database for property listings. Designed for farmers and real estate agents to connect easily.

Certifications

- Python Programming
- HTML, CSS, and JavaScript for Web Developers
- Microsoft AI Skills Passport
- Internship Certification – Infolabz IT Services Ltd
